Bearded Barbet

I am a bearded barbet.

I have feathers on my beak that look like hair.

Crossbill

I am a crossbill.

My beak is crossed like an X.

My beak gets the seeds out of tree cones.

Rhinoceros Hornbill

I am a rhinoceros hornbill.

I have a horn on top of my beak.

I use it to knock down fruit.

Sword-Billed Hummingbird

I am a sword-billed hummingbird.

I use my long beak to drink from flowers.

Brown Pelican

I am a brown pelican.

I can hold fish in the skin under my beak.

Shoebill Stork

I am a shoebill stork.

My beak is shaped like a shoe.

Spoonbill

I am a spoonbill.

My long beak looks like a spoon.

Toucan

I am a toucan.

My huge and colorful beak is very light.

Many birds have weird beaks.
Which beak is your favorite?
