I Live in the City

My name is Anna.

I live in the city.

I live in an apartment.

My address is 888 Elm Street,
apartment 2B.

My family lives near the city center.
There are tall buildings all around us.

Many people live and work
in the city.

The streets are full of cars and buses.

The city doesn't have many grassy places.

But the city park has grass and trees.

I go to the park with my mom
and dad.

My dad and I play catch in the park.
My mom and I fly kites in the park.

I love how everything is close
in the city.

My mom walks me to school.

We walk two blocks then go right.

Sometimes Sasha walks with us.
We walk past Mr. Abul's store.
We walk past the bank.
All our neighbors wave and say hi.

On Saturdays my family likes
to go to museums.
Sometimes we walk to the art museum.
I like the big paintings.

Sometimes we walk to the history
museum.

I like to watch the small train.

I like the dinosaurs best.

I love living in the city.
There's always something to do.
The city is a great place to live.
